

Energy Upgrade California

Energy Upgrade California is a new statewide collaboration of governments and utilities that provides:

- Over \$4,000 in energy efficiency rebates
- A one-stop shop for homeowners to find contractors and rebates

www.EnergyUpgradeCA.org

Tri-City Home Energy Forum

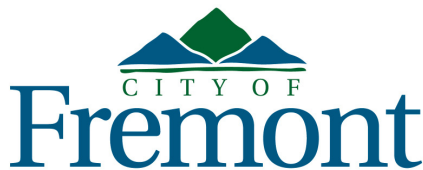

Information to help homeowners **get up to \$4,000** in rebates on a home energy efficiency upgrade

WHEN: Wednesday, January 18, 2012
6:30–8:00 p.m.

WHERE: Niles Conference Room
City of Fremont Development Services Center
39550 Liberty St., 1st Floor, Fremont, CA

This event is FREE and open to all Alameda County homeowners. Snacks and coffee will be provided.

Please RSVP to this event online:
<http://tricityenergyupgrade.eventbrite.com/>

Participating Contractors who are trained and ready to work on your home will be there to answer your questions.

Did you know:

- The average home loses approx. 40% of its energy through leaks
- Indoor air quality is two to five times worse than outdoor air quality, according to the EPA
- Your local school can benefit from you performing an upgrade! Through *Energize for the Prize*, \$100 will go to the local school of your choice when you upgrade your home. Visit EnergizeforthePrize.org for details!

For more information, please contact Lou Riordan at (510) 891-6553 or info@energyupgradeac.org
