Support Our Kids Scholarship (S.O.K.) Program

The City of Union City feels that it is important for all of the youth in our community to have the opportunity to experience the various recreational programs that are offered by the Leisure Services Department. The S.O.K. Scholarship Fund offers a limited number of special scholarships for Union City youth 18 years and under who wish to experience a Leisure Services program but are unable to, due to financial hardship. Scholarships provide 50-75 % of the registration fee, up to a maximum of \$200. Scholarships are limited to one program per youth, per year, as long as funds are available and families meet the financial qualifications. For more information and a scholarship application, please call the Holly Community Center at 675-5488 or the Kennedy Community Center at 675-5329.

We also would like to encourage the members of our community to help support the S.O.K. Scholarship program by making contributions with their Leisure Services registrations. Donations can be added on the Leisure Services registration form. Every dollar counts and is appreciated.
