

We're working on a plan to help Union City **Go Green** . . . and your input is needed!

Our Climate Action Plan will serve as a blueprint to identify ways in which Union City residents, businesses, and government can reduce greenhouse gas (GHG) emissions, which contribute to global warming. The decisions we make today will have a major impact on the future of Union City and the environment.

Union City Climate Action Plan Community Meeting

Wednesday, September 15
6:00 to 8:00 pm
Holly Community Center
(Senior Room)
31600 Alvarado Boulevard
Union City, CA

Attend the community meeting and you'll be entered into a raffle to win a fabulous prize!

Beginning in September, a hard copy of the Draft Climate Action Plan (CAP) will be available for review at the following locations:

Planning Division	Union City Library
City of Union City	34007 Alvarado-Niles Rd.
34009 Alvarado Niles Rd	Union City, CA
Union City, CA	

Also available online at www.unioncity.org

Visit our
Greening Union City
Facebook page
