Serious Strokes:

Players who want to come to Competitive Serious Strokes must try out, or risk being placed in another class. Serious Strokes beginner classes are for those young people who are ready to work hard on their tennis.

Focus on Fun: Weekend times, low price, more kids, more games! This is for players who are coming to Tennis for the first time. Lesson One: Players become familiar with the racket, have a youthful instructor, learn strokes and play games.

For additional information, call 510-675-5445

Support Our Kids Scholarship (S.O.K.) Program

The City of Union City feels that it is important for all of the youth in our community to have the opportunity to experience the various recreational programs that are offered by the Leisure Services Department. The S.O.K. Scholarship Fund offers a limited number of special scholarships for Union City youth 18 years and under who wish to experience a Leisure Services program but are unable to, due to financial hardship. Scholarships provide 50-75 % of the registration fee, up to a maximum of \$200. Scholarships are limited to one program per youth, per year as long as funds are available and families meet the financial qualifications. For more information and a scholarship application, please call the Holly Community Center at 471-6877 or the Kennedy Community Center at 489-0360.

We also would like to encourage the members of our community to help support the S.O.K. Scholarship program by making contributions with their Leisure Services registrations. Donations can be added on the Leisure Services registration form. Every dollar counts and is appreciated.
