

Winter/Spring 2010 Discover Afterschool Program

The Discover Afterschool Program is currently being offered at 5 elementary schools. We are dedicated to providing your child with a safe, fun, and learning environment. We offer a wide variety of classes in sports, recreational games, visual arts, performing arts, enrichment, and overall fun classes. These classes are intended to expose children to the many different activities that we offer. These classes are meant to be fun, rewarding, and a way to discover a talent, a new game, a new favorite sport, and new friends. If you have any questions or class ideas, please call me, Jesus Garcia, at 675-5482. I would love to hear your comments.

Hours and locations: The afterschool program is being offered from 2:05- 3:10 pm. We usually hold our classes outside or in the auditorium. When it rains, we do our best to keep your children occupied and entertained. We will go into a classroom or auditorium for the class. We do not cancel classes due to weather.

Ages: The program is open to all children in grades 1-5. This includes home-schooled children.

Cancellations and refunds: Unfortunately, some classes do get cancelled if we do not have enough enrollment. If they do, you can either receive a full refund (which takes about 4-5 weeks to receive in the mail) or full credit for the class. The credit can be used at any time for any class that Leisure Services has to offer. We do not give refunds after the first day of class. (It is stated at the bottom of the registration form.) The only other time we cancel a class is if there is a minimum day or a holiday.

Late Policy: Children must be picked up or go to Kids First at the end of class. If they are not, my instructors are told to stay with the children until they are picked up. A late fee will be assessed after 3:20 pm. There will be a \$1.00 per minute late fee assessed after that time. The instructor will use his/ her watch, or the school's clock to keep track of the time.

Sessions: Here is our upcoming schedule:

Session 3, Jan 11- Feb 19 (6 week session)

Session 4, Feb 22- April 2 (6 week session)

Session 5, April 12- May 14 (5 week session)

Session 6, May 17- June 11 (4 week session)

If you have any questions, class suggestions, concerns, or would like to know more about the program, please call (510) 675-5482, and I will gladly answer all of your questions.

-Jesus Garcia, Program Coordinator.
