

Science Fun Day • Ages 2-6

Preschoolers by nature, love to explore. They are curious, ask questions and love exploring their world. You might ask, "What kind of science activity can preschoolers do?" What can't they do? At the Tot Time Science Fun Day, we will provide hands-on experiences for learning science concepts, using fun objects to experiment with, and asking your preschooler questions to encourage discussion. Our Science Fun Day will expose your child to early science and try to make science fun to learn! For more information, please call 675-5276. Parents are required to stay with children.

Dear Local Business:

This spring, the City of Union City and the Leisure Services Department will be hosting our annual Spring Egg Hunt Extravaganza. The event will include egg hunts, a mini carnival, a Scholastic Book Fair, snack bar, great games and exciting raffle prizes. Each participant will receive a bag full of goodies and participate in an exciting egg hunt led by Mr. and Mrs. Bunny. In an effort to keep the event affordable and accessible to all families in our community, we are seeking the support of local businesses and merchants. Your business can sponsor one of the four egg hunts. To sponsor an egg hunt, the cost of sponsorship is \$150. In order for booth sponsors to be included in all of the marketing materials, please respond by FRIDAY, February 26, 2010. If you are interested in supporting this event, or have any questions, please contact Marissa Vera at (510) 675-5276 or at mvera@ci.union-city.ca.us Thank you again.
