On December 8, 2010, at 11:37PM, Union City Police Department responded to 3277 Santa Rosa Court to investigate a reported robbery. When officers arrived they located one victim with multiple stab wounds to his upper torso. The second victim informed officers that he fired a shotgun at the multiple suspects who were attempting to commit the robbery.

The preliminary investigation has revealed that the two victims were working on a vehicle in front of the residence when they were approached by multiple suspects wearing masks and dark clothing. During the robbery one victim fled into the home and the other remained outside with the suspects. The victim that went into the home retrieved a shotgun and came back outside to assist his friend who was now on the ground suffering from stab wounds. The suspects, who were standing over the stabbing victim, fled when the shotgun was fired in their direction. It is unknown if any of the suspects were hit by the shotgun blasts.

The stabbing victim was transported to local area hospital and is expected to survive his injuries. The names of the victims will not be released in order to protect their identity.

Anyone with information related to this case is encouraged to call Detective Collins at 510-675-5266. If you wish to use the tip line please call 510-675-5207 or E-mail information to tips@unioncity.org.
