

Measure B and Paratransit ... Your Tax Dollars at Work!

Measure B is a half-cent transportation sales tax administered by the Alameda County Transportation Commission (ACTC). Measure B funds various projects and programs throughout Alameda County including ADA Paratransit. Union City Paratransit is one of the three ADA-mandated paratransit providers in the County. Union City Paratransit provides curb-to-curb service within the city and has limited service to Hayward, Fremont and Newark. Passengers connect from East Bay Paratransit at the Union City BART station or the Union Landing Transit Center. Registered riders are also approved to ride any other ADA paratransit service in the nine-county Bay Area. In Fiscal Year 2010, Union City provided about 17,000 trips for paratransit riders in the community. Fiscal Year 2011 ridership is expected to be higher. It would not be possible to provide this valuable service if it were not for this important funding source. Measure B, your tax dollars at work!
